De Novo

ABOUT US

De Novo was established in the year **1995**, & within one year **1996** of its inception, we have presented C.I.B. Unigass.p.a. From that point forward we have attempted to enhance our organization by providing our clients with the best services and solutions and great client support. De Novo was founded on the basis of creating a genuine relationship with our customers.

We are involved in an exchange of the Heating supplies and channel accomplice of **CIB UNIGAS, ITALY MAKE BURNERS**, managing different sorts of power elements like Light Oil, Heavy Oil, Gas Burners Dual Fuel Burner for Light Oil-Gas, Heavy Oil-Gas that are required in several industries. The success of our organization lies in an aggregate response to give effective & dependable administrations to our clients by providing the quality product and services on time. We are a group of all-around qualified personnel that are prepared & committed to providing best and economic solutions to our clients. This is because of technical support and on time services of materials to numerous renowned industrial associations and foundations all across India.

FUEL

NATURAL GAS	N	- HEAVY OIL UP TO 50 cSt a 50°C (7°E - 50°C)
L.P.G	E	- HEAVY OIL UP TO 110 cSt a 50°C (15°E - 50°C)
TOWN GAS	D	- HEAVY OIL UP TO 400 cSt a 50°C (50°E a 50°C)
GAS	H	- HEAVY OIL UP TO 4000 cSt a 50°C (530°E - 50°C)
LIGHT OIL	K	- KEROSENE
BIO DIESEL	MG	- DUAL FUEL BURNERS NATURAL GAS - LIGHT OIL
	MN	- DUAL FUEL BURNERS NATURAL GAS - HEAVY OIL

OPERATION

ON/OFF	MD	- FULLY MODULATING
HIGH - LOW FLAME	SP	- SOFT START
PROGRESSIVE		

BLAST TUBE

STANDARD	S	- STANDARD	L	- LONG
DUAL LENGTH BLAST TUBE				

DESTINATION COUNTRY

ITALY
 AVAILABLE FOR OTHER COUNTRIES UPON REQUEST

BURNER MANUFACTURE
